### Please Note:

- Crayola© brand crayons, markers, & color pencils are highly recommended for their quality and true color. However, Prang brand watercolors are a better watercolor than Crayola brand. Ticonderoga pencils are highly recommended. They sharpen better and last longer.
- Please write your child's name on all supplies. This helps to streamline things on our first day.
- As the school year progresses, your child's supplies most likely will need to be replenished. I'll let you know when.
